VOLUME 01

welcome to glasshouse props

glasshouse props is a prop rental house in East London, offering an extensive collection of glassware and homeware-based props for the TV, film, photography, and events industries. d to elevate your photoshoots, events, and creative projects.

Launched in honour of Christina Dishington, who spent her life collecting vintage and unique items, glasshouse props was founded by James Dishington and Caitlin Parker to preserve and grow her legacy collection.

As East London's newest destination for curated glassware and props, we provide everything from vintage-inspired decanters to modern vases, designed to elevate your photoshoots, events, and creative projects.
